DIXONS NEWALL GREEN ACADEMY

Admissions & Appeals policy
for the academic year 2026-27

Responsibility for review: School and College Trust Leader

Last consultation period: Pre-opening phase (policy determined in February 2023)

Determined by: Board of Trustees – 23 January 2025

Admissions

Statement of policy

The Academy is committed to:

- admitting an intake reflective of the local community
- resolving a situation where there are many more applications than places available
- providing a consistency of approach in a potentially emotive area
- demonstrating that we are applying our oversubscription criteria equally and fairly
- ensuring that children with special educational needs and disabilities, and vulnerable children are not treated less favourably than other children
- working collaboratively with all schools within the local authority to improve behaviour and reduce exclusions by participating in the writing of and adhering to the Fair Access Protocol

The aims are:

- to ensure that places are awarded fairly and openly
- to ensure that parents /carers are aware of the admissions procedures
- to guarantee that all legitimate applications will be processed efficiently and within an agreed time span
- to demonstrate that our procedures comply with the School Admissions Code
- to provide an appropriate appeal procedure for those who are dissatisfied with the outcome of their applications which complies with the School Admission Appeals Code

Procedures for Year 7 entry

The admission arrangements are:

a) There are 140 places in Year 7.

b) Applications for places at the Academy will be made in accordance with the local authorities Coordinated Admission Scheme, as published on Manchester local authority's website. Where the Academy receives more applications than places available, the oversubscription criteria will apply.

c) Applications must be made on the Standard or Common Application (SAF / CAF) provided by the local authorities by the stated deadline.

Oversubscription criteria

The Academy has an agreed admissions number of 140 children for entry in Year 7. The Academy will admit up to 140 children in the relevant age group each year if sufficient applications are received. All children will be admitted if 140 or fewer apply.

If the Academy is oversubscribed, after the admission of children with an Education, Health and Care Plan, where the Academy is named, priority for admission will be given to those children who meet the criteria in the order set out below:

a) Looked-after children or children who were previously looked-after. See note 1 for a definition of these terms.

b) Children who have exceptional social or medical need, supported by a written recommendation from an independent medical professional such as the child's paediatrician / consultant or an independent professional from Children's Services. The recommendation must explain why the Academy is the *only* suitable school to meet the child's needs and why *no other school* could provide the appropriate support for the child. See note 2 for how to apply.

c) Children whose siblings live at the same address, currently attend the Academy, and who will continue to attend the Academy on the date of admission (see note 3 for a definition of sibling).

d) All other children based on proximity to the Academy using straight line measurement from the Academy to the home address (see note 4). Straight line measurement is the distance in a straight line from the centre point of the child's permanent home address to the centre point of the school as defined by Local Land and Property Gazetteer (LLPG).

Tie breaker

If demand exceeds places at points c) or d), places will be decided based upon the distance (proximity) of the home address (see note 4) to the Academy, with those who live closest receiving priority for the place / s. If there are two or more children from equidistant

addresses but only one place remains, the decision of who will be offered the place will be made by using a computerised random number generator programme (see note 5).

Notes

1. A looked-after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

   A previously looked-after child is a child who, immediately after being looked-after, became subject to adoption, a child arrangements order or special guardianship order and includes those who appear (to the local academy board) to have been in state care outside of England[1] and ceased to be so because of being adopted.

2. Exceptional need applications must be indicated in the Reasons for choosing the school section found on the Standard or Common Application Form (SAF / CAF) and a category 2 application form should be submitted. Parents / carers should state the exceptional social or medical need reasons on the form and provide supporting information with the form. If supporting evidence is not supplied with the category 2 application, the application cannot be prioritised. These applications must be submitted by the deadline for the local authority application form to ensure they can be considered prior to the ranking of applications.

   Requests for forms can be made to school.admissions@manchester.gov.uk Once forms are completed, they should be submitted along with any supporting information to the same e-mail address.

3. In addition to brothers and sisters, the term sibling includes half, adopted, step, or foster brothers or sisters *living at the same address*. It does not include cousins or other family members sharing a house.

4. The address used as the home address must be the child's main and permanent home. If responsibility is shared, you should use the address where the child mostly wakes up on school days. Where responsibility is shared equally, parents should submit full details (including any documentary evidence) to the local authority at the time of application.

5. The applications will be allocated a random number of between 1 and 8 that contains up to 7 decimal places. The numbers will be allocated by a computer programme and ranked from the smallest number at the top of the list to the biggest number at the bottom.

   The randomisation process will be supervised by an independent clerk of an independent appeals panel.

Calendar for admission

July to September 2025

Local authorities' information and standard or common application form (SAF / CAF) is made available.

September / October 2025

Open event – for details of this, please see the Academy website.

31 October 2025

Deadline for receipt of:

- local authorities' standard or common application form (SAF / CAF)
- applications under exceptional need criterion

2 March 2026

Local authorities write with offers made to parents for all schools in their schemes.

In the event of oversubscription, those children who cannot be offered a place will automatically remain on the waiting list at the Academy until the end of December.

Late applications

Late SAF / CAF applications will be administered in accordance with local authorities coordinated admissions schemes. Where applications are received after the deadline, this may affect your chances of being offered a place at the Academy as the application will be considered after those that were received on time.

In-year admissions

Dixons Newall Green opened in September 2023. Consequently, from September 2025, there are only year groups 7, 8 and 9.

[1] A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

The funding agreement for the Academy dictates how many students it will be funded for in total. The Academy plans its operations such as staffing, timetabling, and provision of resources based on the funding received; this equates to the following provision:

- There are 140 places in each of years 7, 8 and 9.

If a child is refused a place, this is because admission of another child would prejudice the provision of efficient education or the efficient use of resources.

Where vacancies occur, places are not offered based on the length of time children have been on the list but are filled in coordination with the local authorities and in line with the oversubscription criteria stated below. It is, therefore, possible that a child may be added to the list who qualifies more highly within the criteria than children already on the list because each time a child is added, the list will be ranked again in line with the published oversubscription criteria. Looked-after children, previously looked-after children, and those allocated a place at the Academy in accordance with a Fair Access Protocol (explained below) take precedence over those on a waiting list.

Applications should be made on Manchester local authority's Application Form which needs to be returned directly to the local authority. On receipt of the Application Form the authority will send a copy of this to the Academy. If a place is available, the Academy will contact you to arrange admission. If a place cannot be offered your child's name will be added to the waiting list, which runs until the end of the term in which an application was made.

In-Year oversubscription criteria

If the Academy is oversubscribed, after the admission of children with an Education, Health and Care Plan, where the Academy is named, priority for admission will be given to those children who meet the criteria in the order set out below:

a) Looked-after children or children who were previously looked after. See note 1 for a definition of these terms.

b) Children who have exceptional social or medical need, supported by a written recommendation from an independent medical professional such as the child's paediatrician / consultant or an independent professional from Children's Services. The recommendation must explain why the Academy is the only suitable school to meet the child's needs and why no other school could provide the appropriate support for the child. See note 2 for how to apply.

c) Children whose siblings live at the same address, currently attend the Academy, and will continue to do so on the date of admission (see note 3 for a definition of sibling). If demand exceeds places at this point, places will be decided based upon proximity to the Academy (as detailed at point e).

d) Children who have moved to Manchester (see note 4) and are without an offer of a school place.

e) All other children.

Within each category, children will be prioritised according to the distance between the child's permanent address and the school. Distance will be measured in a straight line from the centre point of the child's permanent home address to the centre point of the school as defined by Local Land and Property Gazetteer (LLPG), and using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority.

Proximity to school is used as a tiebreaker, with those living closest being given priority. On the rare occasion where the offer of places to children with equal-distant addresses would lead to oversubscription, the decision of who will be offered the place will be made by a random selection drawn by a senior officer outside of the education service.

Notes

1. A looked-after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

   A previously looked-after child is a child who, immediately after being looked-after, became subject to adoption, a child arrangements order or special guardianship order and includes those who appear (to the local academy board) to have been in state care outside of England[2] and ceased to be so because of being adopted.

2. Exceptional need applications must be indicated in the Reasons for choosing the school section found on the Standard or Common Application Form (SAF / CAF) and a category 2 application form should be submitted. Parents / carers should state the exceptional social or medical need reasons on the form and provide supporting information with the form. If supporting evidence is not supplied with the category 2 application, the application will be refused.

3. Requests for forms can be made to school.admissions@manchester.gov.uk Once forms are completed, they should be submitted along with any supporting information to the same e-mail address.

4. In addition to brothers and sisters, the term sibling includes half, adopted, step, or foster brothers or sisters *living at the same address*. It does not include cousins or other family members sharing a house.

[2] A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

5. A child is considered new to Manchester when they:

   a) Move into the city from abroad and make an application within the same academic year.

   b) Move into the city from another LA and make an application within the same academic year and it is unreasonable to expect them to attend their previous school.

   A child who is new to Manchester will be prioritised for their preferred schools because these children have not had the opportunity to be considered during the normal admission round when they may have had a reasonable chance of being offered a preferred school.

   All preferences will be considered equally and if more than one preference can be offered the highest ranked preference will be offered. If no preference can be offered an alternative offer of the closest Manchester school or academy with vacancies will be made. Once a preference or an alternative offer is made, the child will no longer be considered in this category.

Fair access protocol

All local authorities must have a Fair Access Protocol, which the Academy is required to be part of, to ensure that access to education is secured quickly for children who have no school place. Children who are dealt with under the protocol are likely to be the most vulnerable or present challenging behaviour and who cannot reasonably be managed through the normal admissions process. Children admitted through the protocol may be placed into a year group which is full and will take precedence over other children on the waiting list. It is the local authority's decision to determine which children are dealt with by the protocol and the Academy is obliged, as are other schools within the district, to admit a proportion of these children.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group, for instance, where a child is gifted or talented or where a child has suffered from learning, social or medical issues impacting his or her schooling.

For applications at the point of entry (Year 7), the request should be submitted before the deadline for applications. For applications in-year, the request should be submitted at the same time the in-year application is made.

When such a request is made, the local academy board will decide based on the circumstances of the case and in the best interest of the child concerned, considering the view of the principal and any supporting evidence provided by the parent. The process for requesting such an admission is as follows:

Parents should submit an e-mail or letter to the local academy board, via the Admissions Officer, to request that the child is admitted to another year group (stating which year group) and the reasons for their application. Included with the e-mail or letter should be any evidence in support of their case; some of the evidence a parent might submit could include:

- information about the child's academic, social, and emotional development
- where relevant, their medical history and the views of a medical professional
- whether they have previously been educated out of their normal age group

The local academy board will advise the parent whether the request for admission out of age group has been agreed or the reason for any refusal. Where the local academy board refuses such a request, there is no right of appeal against a refusal to offer a place in the preferred age group. The right of appeal only applies against a refusal of a place at the Academy.

Waiting lists and appeals

Waiting lists

If your child is not offered a place for Year 7, your child's details will automatically remain on the waiting list until the end of December i.e., one term after the start of the academic year. You will need to make a fresh application in January for your child's details to remain on the waiting list (see In-Year Admissions section for how to apply).

For in-year applications, the details will remain on the waiting list until the end of the term for which you applied. You will need to make a new application each term if you wish to apply for a place and be placed onto the waiting list again.

Where places become available, they will be filled in accordance with the oversubscription criteria.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. This is a legal process, and places are not 'reserved' for appeal panels to offer.

Further information about the appeals process and the appeal form can be found on Manchester local authority's website.

The local authority can also be contacted by:

Email: school.admissions@manchester.gov.uk

Telephone: 0161 245 7166
