

November 2023

Dear Families,

I trust this letter finds you well. As a gentle reminder, we would like to inform you that there is a Data and Planning Day scheduled for Friday, 17th November. Students will not be attending the academy on this day. This day has been allocated for our dedicated staff to engage in important training, planning and assessment activities.

We look forward to welcoming all our students back to the academy on Monday, 20th November. The school day will commence at the usual time of 8:05 am.

During this time, we encourage students to make the most of their time at home. We recommend they focus on their Read, Cover, Write, Check exercises to strengthen their foundational skills. Additionally, it is essential for them to ensure they are up to date with their Stretch Projects, as staying on track will contribute significantly to their academic progress.

Thank you for your understanding and cooperation. We look forward to the return of our students with renewed energy and enthusiasm on Monday.

Warm regards,

Stephen Garvey
Principal
