

October 2023

Dear Families,

As we approach the October half term, I wanted to take a moment to express my gratitude for the incredible support you have shown during our first seven weeks together at Dixons Newall Green. It has been a remarkable journey so far, and your unwavering support has played a significant role in our success.

The success of our recent **Parent Advisor Evening** is a testament to the strong partnership between our academy and families. Your active involvement and invaluable feedback have paved the way for enhanced communication and support for our students.

Our students have truly shone this half term, and I am thrilled to share some of their remarkable achievements with you. Our **Student Leadership team** has demonstrated extraordinary dedication and commitment, setting an inspiring example for their peers and leaving a positive impact on our school community. We are proud to have such promising young leaders among us.

The Green Team's dedication and hard work have not gone unnoticed either, as they are set to be featured on BBC North West. Their passion for environmental issues and commitment to creating a sustainable future is truly commendable.

Our **Academy Choir** has also been a source of great pride. They showcased their talents for the first time at our open evening, leaving us all in awe of their musical abilities.

It's also heartwarming to see our students settling in so well, demonstrating growing resilience and a genuine eagerness to learn. We are proud of the positive atmosphere they have created at Dixons Newall Green.
