

18 September 2025

Dear Families

Please be aware that there is some planned industrial action taking place between Friday 19th September and Monday 22nd September.

This will affect many Bee Network services. Please use the link below to see if your children's public transport links are affected on Friday and Monday.

<https://tfgm.com/bus-industrial-action>

Attendance to school is still expected on Friday and Monday, please plan for alternative forms of transport such as cycling, walking or car sharing. If you have any specific queries, you'd like to discuss around this, please do contact attendance@dixonsng.com so that we can support you and your child in getting to school and accessing valuable education.

Thank you for your continued support.

Yours faithfully

Kat Martin

Assistant Principal
