

21 November 2024

Dear families,

We have made the decision to make some changes to student uniform to ensure they are warm enough throughout the school day.

All students can wear a plain black, round neck sweater on top of their academy polo shirt/PE shirt as an additional layer. If students choose to wear this extra layer, their academy jacket must also be worn on top. Students are welcome to wear plain black thermal layers underneath their academy polo shirts/PE tops.

In addition to their normal PE kit, students can also wear plain black skins or leggings under their academy shorts or plain black jogging bottoms in place of their shorts. Students are not allowed to wear leggings without their academy shorts on top. All plain black items must be free from logos.

Whilst we are in the temporary buildings during the winter months, students will be permitted to keep their coat with them throughout the school day, and wear it outdoors.

All students should wear black or white sports trainers on PE days only. This is to ensure the safety of all students when participating in sports. High tops, low tops or fashion trainers are not suitable for PE lessons. We appreciate your support in making sure that your child has appropriate uniform and sports trainers for PE by Monday 2 December.

Please ensure that your child's name is clearly written inside any clothing in case the item of clothing is lost.

Please see the images below for further guidance.

We appreciate your ongoing support, if you have any questions, please contact the academy on 01613831160.

Yours faithfully,

Jo Whitworth
Principal

Additional uniform:	Image:		Where to buy?
