

Dear families,

I would like to thank you for your continued efforts in supporting your child to complete their homework. This week all students will have opportunities to access Sparx (our online homework platform) during lesson time.

Please find below an overview of year 7 homework subjects and days the work is due to be given in.

Day	Subject due
Monday	History and Geography (Read, Cover, Write, Check)
Tuesday	Sparx Maths
Wednesday	Sparx Reader
Thursday	Sparx Science
Friday	English (Read, Cover, Write, Check) Spanish , on odd numbered weeks (Read, Cover, Write, Check) Mandarin on even numbered weeks (Read, Cover, Write, Check)

I would like to make you aware of the following sessions that will support both you as families, and your child with homework.

1. Daily homework club from 3.10 until 4.00 in the IT room. Students can just turn up and there will be a member of staff available to help.
2. **Homework support workshops** will take place during our *Meet the Advisor* Event on Thursday 2 October. Again, no need to book for a workshop, just come along and speak to staff who will be available to give guidance and answer any questions you have.

Homework is an integral part of our learning here at DNG, as well as one of our 6 learning habits, and we appreciate your support in embedding this important habit that will directly contribute to academic success.

Please do not hesitate to get in touch if you have any further questions on homework at DNG.

Kind regards,

Diane McVey
